Education

IFET College of Engineering   *2021 - 2025*
B.E-Electronics and Communication Engineering — CGPA 7.68

Experience

Front-End Intern   *Puducherry*
Cloudlogic Technologies   *June 2023 – July 2023*
- Developed responsive web components using HTML, CSS, and JavaScript
- Collaborated on real-time UI enhancements and validation logic
- Optimized cross-browser compatibility and improved overall user experience

Python Development Intern
CodSoft   *Jan 2023 – Feb 2023*
- Rock, Paper, Scissors Game: Implemented basic logic and control structures
- Enhanced my understanding of conditionals and loops
- Gained hands-on experience in Python scripting and problem-solving

Technical Projects

Veedu thedi Unavu - Food ordering Platform   *Github* ↗
- Built a high-performance React frontend inspired by Swiggy UI
- Implemented live restaurant listings, dynamic routing, and cart functionality for real-time ordering
- Designed reusable components and optimized state management with React Hooks, ensuring scalability and maintainability

DevConnect - A Social Media Platform   *Github* ↗
- Developed a MERN stack platform for developer profiles, networking, and skill-based search
- Implemented secure authentication (JWT) and designed a scalable frontend/backend architecture
- Enhanced collaboration features with profile management and interactive user functionality

Certificates / Achievements

- Java FullStack (Wipro TalentNext)
- Python Essentials (Cisco)
- C Programming (SkillRack)
- **Ranked Top 1 on SkillRack:** solving 100+ programming challenges in Java, Python, and C at the college level
- **Completed 100+ Coding challenges:** HackerRank, LeetCode and CodeChef Combined

Technologies

Languages: C, Java, Python, C#, SQL

WebDevelopment: HTML, CSS, React.js, Node.js, Express.js, Tailwind CSS

Databases: MongoDB, MySQL

Frameworks and Tools: GitHub, VSCode, Parcel, Thunder Client

Core Concepts: OOPS, DSA, Problem Solving, Debugging

Co-Curricular Activities

- **2× Football Champion** – Winner of Department-level Football Tournament at College
- **IFET Premier League** – Represented my team as Vice-Captain and Bowler
